## WARRANTY INFORMATION

All Whalehazard guitars are built by hand in South Minneapolis with great care by Andy Webber. The builder warrants this guitar to be free from defects in materials and workmanship for his working lifetime. This warranty applies only to the original purchaser and is non-transferrable. Please email [andy@whalehazard.com](mailto:andy@whalehazard.com) within 30 days of purchase to validate this lifetime limited warranty and with any questions/feedback.

This limited warranty does not cover repairs for normal wear and tear, finish aging or wear, accidental damage, natural disaster, spilled beer, exposure to the elements or changes in humidity/temperature, or general neglect. Nor does it cover tuning machines, bridge/tailpieces, pickups, other electronic components, plastic components, strings or cases manufactured by a third party. Regular maintenance is the responsibility of the owner and is required for this warranty to be valid.

Any repairs/modifications beyond regular maintenance will void this warranty. Warranty repairs will be made at the discretion of the builder and no liabilities will be assumed beyond repair of the instrument. No other warranties on this instrument will be honored by the builder. Any shipping costs are the responsibility of the owner.
